ABOUT US

S&E Printing/Upholstery (Pty) Ltd is a dynamic small business based in Kuruman, originally established in 2004 as Speedy Upholstery by founder Victor Malambo. In 2023, the business was acquired by Elmariza Goliath and Shaunice Buys, who shifted the company's focus towards the high-demand sectors of printing and smash-and-grab solutions, especially for car dealerships.

Officially re-registered under their names in 2024, the company now offers a unique blend of services under one roof, combining custom printing, professional upholstery, and window film installation. With a skilled team of designers, applicators, and upholsterers, S&E continues to provide quality, creativity, and commitment in every project they undertake.
